

LOWENSTEIN LECTURE
PRESENTS

A.C. Green: "NBA Ironman"

Tuesday,
September 26th
@ 5:00 pm

Outside of basketball, A.C.'s heart is dedicated to working with youth. Because of his love for young people, A.C. established the A.C. Green Youth Foundation in 1989. It's mission is to serve both youth and the communities in which they live by providing information about sexual abstinence and social issues that concern our young people and educating them to make responsible choices to prepare them for their future. Through his "I've Got the Power" and "Game Plan" abstinence curriculum, videos, camps, and web site, A.C.'s mission is to help young people build self-esteem and character, and learn moral and ethical principles to help them make more responsible decisions.

Although the lecture is free to attend, you must call The Goddard Center to reserve your seat.
